Fall Semester Advising Scheduled May 20-24

Advising for the fall semester, 1963, has been scheduled for the week of May 20 through 24, according to Dr. Lawrence Brammer, associate dean of students.

Brammer has set forth the following steps to help returning students complete their fall semester advising with minimum difficulty.

1. Obtain advising materials from the Registrar's Office from 9 a.m. to noon and 1 to 5 p.m. beginning May 20.
2. Study the posted class schedule in light of program needs.
3. Complete the trial program and advisor's study list card.
4. Make an appointment with advisor for the week of May 20 through 24.
5. Obtain advisor's signature on study list card.

Lists Available

Printed schedules for the fall semester will not be available at this time, but mimeographed course lists may be obtained from advisors to use in planning fall courses, stated Brammer. Course lists also will be posted on key bulletin boards around campus.

Brammer emphasized the importance of obtaining the advisor's signiture on study list cards, as a valid one will be required to gain admittance to registration.

As a further hint, Brammer suggests securing the advisor's approval for several alternate courses to avoid difficulty of effecting changes during registration.

Students who plan to qualify for elementary teaching credentials and now are enrolled as elementary education majors or undeclared majors are urged to select a subject area major.

Select Subject Area

The new California credential law requires all elementary credential candidates to have a subject major. Students effected by this law should move toward a choice of major, and file a change of major form which can be obtained from the Registrar's office.

Major changes should be effected prior to May 20 in order that new advisors sign program cards, stated Brammer.

If students are having difficulty choosing majors, professional help is available in the Counseling Service, 259 Administration building.

Editors Told For Next Year

Jim Shock and Wilda Dorsett have been recommended to edit the Hornet and the Statesman, repectively, for the 1963-64 season, Clyde Lawrence, acting coordinator of publications announced.

The announcement followed a two hour session of the publications board.

Shock, a junior, is presently a reporter on the Hornet staff. He has served as editor of the Sierra College Argonaut and has worked with the Nevada City Nugget.

He is also president-elect of SSC chapter, California Intercollegiate Press Association and in such capacity will serve as the head delegate to the CIPA all-state convention in the spring.

Miss Dorsett, a government international relations major, is currently managing editor of the Statesman. She is first vice-president elect of Alpha Phi Gamma, journalism honorary and is active in CIPA, AWS, and was instrumental in formation of the Inter-Club Council.

A sophomore from Clear Lake, she was editor of her high school yearbook her senior year.

SENIOR PICTURES

Senior pictures which have been paid for can be picked up in the Statesman office, DE 199. Wilda Dorsett, managing editor, has requested that all pictures be claimed by Monday, May 20.

Fitzgerald Seeks People For Top Jobs

"All presidential appointive jobs for next year are open," John Fitzgerald, president-elect, said today.

He urged that all students interested in appointive jobs contact him within the next week. He said that he would make the majority of appointments before the end of this semester.

Fitzgerald may be contacted either in the ASSSC board room in the Student Lounge or by phoning extensions 430 or 310 for appointment.

Among positions open are Board of Justice (five members), a member of the Board of Appeals, Junior and Senior Public Defenders, and the Attorney General's post.

Coordinating positions are available for social activities, publicity, athletics, world affairs, drama and debate&, music and art, senior activities and elections.

¼¼¼

Another appointive position is that of ASSSC treasurer, who is also a board of directors member.

Bell Hour Music Conductor Speaks

Donald Voorhees, conductor of the Bell Telephone Hour, will conduct a music lecture-seminar Tuesday in the Sierra Room from 4 to 5 p.m.

Voorhees is in Sacramento for an appearance as guest conductor of Sacramento Symphony Orchestra which will perform Wednesday evening at 8:30 in the Sacramento High School auditorium.

In 1940, the nationally known conductor became the radio musical director of the Telephone Hour. When the program was put on television, Voorhees went along as conductor.

Ciardi Speaks Here Today

What Good is a College? is the question to be discussed by Dr. John Ciardi, poetry editor of the Saturday Review, in today's convocation at 10 a.m. in the men's gymnasium. All classes are dismissed for the convocation.

Ciardi, former professor of English at Rutger's University and assistant professor at Harvard, is now host on CBS's weekly discussion show, Accent.

He is listed in Who's Who, Celebrity Register and Twentieth Century American Authors. He has contributed poems and articles to Atlantic Monthly, Harpers, Saturday Review, Glamour, Ladies Home Journal, Saturday Evening Post, New Yorker and several literary journals here and abroad.

Works Listed

Ciardi's works include I Met a Man, which was rated number four in the list of best selling juvenile books by the New York Times, In the Stone Works, The Man Who Sang The Sallies, and Dantes Purgatorio.

He also has written such works as Other Skies, Live Another Day, As If, How Does a Poem Mean (which colleges use over 15,000 copies annually) and has translated Dante's Inferno.

Ciardi is the recipient of The Avery Hopwood Award, 1939; Blumenthal Prize, 1944; Eunice Tietjens Award, 1945; Levinson Prize, 1947; Harriet Monroe Memorial Award, 1955; Prix de Rome, 1956; and others.

Boston Native

He is also a fellow of the American Academy of Arts and Sciences, fellow of the National Institute of Arts and Letters and past president of the National College English Association.

A native of Boston, Ciardi graduated from Tufts College and recently was awarded honorary degree of Doctor of Literature by his Alma Mater. He did graduate work at the University of Michigan and instructed English at the University of Kansas City. After serving in the Army Air Corps he taught at Harvard and became professor of English at Rutgers University. He is director of the Bread Loaf Writers Association.

He now lives in Metuchen, New Jersey, with his wife and three children.

Question Session

Ciardi is being brought to campus by the Board of Trustees, visiting lecture committee.

Following the convocation, he will be available in the Ribera Room from 11:15 a.m. to noon for a question and answer period.

Dr. Sam Ross, associate professor of history, will serve as chairman.

Awards Night To Feature Student, Club

Presentation of the outstanding student award for 1963 will highlight the ASSSC Awards Night at 7:30 p.m. next Friday in the Little Theatre.

Dr. Guy West, president, will present the outstanding student award along with one for the best club on campus.

Margaret Schreeder, chairman of the awards committee, announced that students will be rewarded for their achievements in the academic and student activity classifications.

Dr. Donald Bailey, dean of students, will give awards in the following divisions: business, engineering, health, physical education and recreation, humanities and fine arts, science and mathematics, social sciences and teacher education.

Special interest presentations will be awarded in seven classifications: art, debate, drama, journalism, music, student government and world affairs.

Award winners will be selected from recommendations made by faculty and administrators.

Darryl Enos, student body president, reminds students the program is open to the public.

Student Receives Newman Award Outstanding Work

Tom Kane, Jr., has been presented the annual John Henry Cardinal Newman Honor Society Key for outstanding work during his four years at the college including his efforts as chairman of the Central Province Convention.

The convention, which closed Sunday with an awards banquet, was considered a success by all participating clubs.

Along with Kane, five other Sacramento State College students were presented Newman Club Key Awards for outstanding achievement and participation. Awards went to Joan Miller, Ken Olds, Mike Evans, John Mannal and Barbara Miller.

Climax of the three-day convention came with Kane's acceptance, on behalf of the area Newman clubs, of the key to the city.

Absentees Of Justice

Quorum Rule Foils BOJ Meeting

Action at the Board of Justice was brought to a halt when one associate justice had to leave for class Tuesday afternoon.

Another justice was absent and, in compliance with the Board of Directors ruling that four members are needed for a quorum, the BOJ adjourned.

Prior to adjournment the board found Alpha Psi Omega in contempt of court for failure to appear as subpeonaed earlier.

Pleads Guilty

Delta Phi Upsilon pleaded guilty as charged and was sentenced to two weeks suspension from the campus. This finding was suspended later but the organization was directed to turn in the officers list by today or face an added charge.

Kappa Gamma was found to have acted in good faith when it turned in the required membership list two days after charges were levied by the prosecuting attorney and the sentence of one day suspension was suspended. They had pleaded guilty.

Phi Kappa pleaded guilty to failure to turn in the membership list by the required time. The plea was accompanied by mention of extenuating circumstances. It was removed from the campus for two days and this finding was suspended.

Session Adjourned

At this time Marlene Poletti had to leave the hearing for a class and the session was adjourned.

Held over for hearing next Tuesday were Lambda Alpha Epsilon and California Park and Recreation Society.

This is the fifth time LAE has had its hearing postponed.

M S Exams Slate Dates

Qualifying examinations for the master of science degree in business administration will be given May 25 and June 1.

The first section, which will cover accounting, business law and business finance, will be held May 25 from 9 a.m. to 12 noon.

The second section, which includes industrial management, marketing and personnel management, will be given June 1 from 9 a.m. to 12 noon.

Examinations will be given in 147 Business Administration. Those taking the test must bring blue books, pens and pencils. Contact must be made with personnel in 145 Business Administration immediately.

Speaker Will Discuss Part Time Citizenship

Part Time Citizenship will be the topic delivered by Mark Evans Monday at 2 p.m. in the Little Theatre.

Evans, vice-president of public affairs for Metromedia, Inc., has lectured to thousands of people, reprsenting literally hundreds of groups and organizations.

His cross-country speaking tours have ranged from addreses in Jewish Synagogues to political rallies.

Mormon Missionary

In 1958, he became the first and only Washington radio-tv commentator to deliver yearly lectures for the National Geographic Society before the organization's 7,000 members in Constitutional Hall.

Evans began his career at KSL in Salt Lake City after having served as a Mormon missionary in the Scandinavian countries from 1936-1939. Later he moved to WWDC in Washington where he specialized in news programs broadcast coast-to-coast.

Evans joined Metromedia in 1960, leaving CBS where he conducted his own program on WTOP in Washington, D.C., for 12 years. He is a member of the Greater National Capital Planning Commission, comprised of leading national figures.

President Comments

Evans has traveled to South America, Africa, Europe and the Far East on many occasions. He once was the guest of Albert Schweitzer in his African home.

Darryl Enos, ASSSC president, said, "He is a man of many talents and wide experience and should bring many mature and intersting views to focus on one of the greatest problems of modern democratic society."

Central America Lecture Subject For History Prof

Walter A. Payne, associate professor of history at University of the Pacific, will deliver a talk on Recent Central America Tuesday at 3 p.m. in the Sierra Room of the Administration building.

Payne, whose visit is sponsored by the Board of World Affairs, received his B.A. from the University of California at Berkeley, M.A. from the Universidad de San Carlos de Guatemala, and Ph.D. from the University of Florida. His major field of study is Latin American history with minor fields of study in Spanish and Latin American government and politics.

Payne's teaching and administrative background includes positions in universities in the U.S., Cantral America and Scotland. Publications include Pan American Magazine, World Affairs and contributions to various encyclopedias.

He has published a monographic study entitled A Central American Historian-Jose Milla, and contributed chapters to two books on Central America.

Foreign Film Sets Program Saturday

Saturday at 7:30 p.m., two films will be presented by Foreign Film Festival in the Little Theatre.

The Cousins is a realistic film about love forbidden in most societies. Emotionally disturbed people searching for meaning and satisfaction will be symbolized in The Voices.

Subscriptions for season tickets can be purchased in the student association office in the Student Lounge for $3. ASSSC card holders will receive free admission. Non-card holders may obtain single admission at the door for $1.

Doors will open at 7 p.m. and subscription seats will be reserved until 7:15 p.m.

Grad Joins Peace Corp

By CHRIS MORGESE

Why does an attractive young lady about to graduate from Sacramento State College decide to volunteer for the Peace Corps?

Linda Birchfield, senior who recently accepted an assignment to go to Costa Rica as a Peace Corps volunteer, offers several reasons.

"Being in the Peace Corps is a way of serving the people and contributing to their culture," she said.

"I volunteered for the Corps mainly to do something meaningful," she added.

Beauty Finalist

Miss Birchfield noted that valuable experience and travel in foreign countries are other reasons for volunteering.

As a finalist in the Miss San Francisco beauty contest in 1962 and a 1960 Camellia Princess, Miss Birchfield is proof that beauty and brains do go together.

The education major mentioned that she specifically asked for a Spanish speaking country for her two year service.

"The two years," she commented, "will include three months training in New Mexico and a year and nine months in Costa Rica."

Divide Duties

Miss Birchfield will divide her duties between teaching and a semi-nursing capacity with the National Health Program.

After her service, a number of opportunities such as a major university scholarship or foreign service employment may be available to this representative.

Miss Birchfield, now student teaching at Howe Avenue School, is a La Sierra High School graduate. She attended San Francisco State College for one year before coming to Sacramento State College.

WHAT'S HAPPENED TO FALCON

EVERYTHING! AND YET...

Early this year we put a 164-hp V-8 in a new kind of Falcon called the Sprint, and entered the stiffest winter road test we could find . . . the 2,500-mile Monte Carlo Rallye. We didn't know what would happen . . . but happen it did.

First, no one dreamed all the Rallye cars would have to experience the worst winter in decades. Snow, below zero temperatures, and the most demanding terrain in Europe took their toll. Two thirds of the 296 cars that started, failed to reach Monaco.

A lot of experts told us that the Falcon V-8's, untried as they were, could not hope to finish the Rallye with the best of weather. But not only did two Falcon Sprints finish, they placed first and second in their class. But there were more surprises (for everyone) in store. Against all competition, regardless of class, the lead Sprint went on to take first in the final six performance legs.

We honestly didn't know the Falcon Sprint would do this well. But it showed us a Falcon with our new 164-hp V-8 is a car that can perform with the best of them. So a lot has happened to Falcon, and yet . . .

A six-cylinder Falcon has just finished the Mobil Economy Run and finished first in its class. It had to take a lot of punishment, too . . . 2,500 miles from Los Angeles to Detroit over mountains, deserts, and long stretches of superhighways. But the nickel-nursing ways of the all-time Economy Champ took all comers in its class.

So you see something has happened to the Falcon. It can be what you want it to be . . . a V-8 that travels in the same circle as Europe's performance kings . . . or a Six that can travel cross-country on a budget. *There's* something to put into your compact.

Triumph Over 'Pests'

By SHIRLEY BOEVERS

"Students should be able to lounge, study and eat their lunches on grass free from contamination of deadly poison," was the opinion expressedby Mr. Gorpsorean, head groundskeeper.

"We avoid the use of harmful chemicals here, except perhaps, in an attempt to save a dying tree."

The beautiful appearance of the campus stands in mute testimony against any need of powerful overkill insecticides.

Gorpsorean recalls that just ten years ago, the local landscape was only a dustbowl. Each year since, the verdant growth has been more lovely, until the present campus is the finest in the state. At least that is the private belief of the groundsmen, and shared by many students.

Two kinds of pests plague the workmen. First there is an abundance of stray cats destroging the low-nesting birds. An unhappy solution lies in rounding up the felines and taking them to the Life Science lab.

Another pest, a constant nuisance, is the two-legged (and perhaps two-headed) litterbug. An unceasing war is waged against the fiend who casts papers and cartons about; creates a dangerous hazard of broken bottles in the parking; and tears down shrubbery. So far no satisfactory defense has been devised.

Litterbugs are protected by law from chemical extinction. The grim battle goes on and on. Each year there are more and more litterbugs, and (because of economy cuts) fewer and fewer men to man the pick-up and clean-up battle stations.

College Sponsors Music Festival For Youth Talent

Seven musical events will be performed by junior and senior high school students on campus May 18 for the eighth annual Golden Empire Solo and Small Ensemble Music Festival.

Dr. Paschal Monk, associate professor of music and chairman of the arrangements committee, announced that 281 soloists and ensembles will participate in vocal and intrumental divisions.

"The festival is a unique experience for students who usually play in groups to perform as individuals," says the representative of the host high school, Leroy Hughes. He is dean of boys and former band director at El Camino High School.

Musicians will be heard by adjudicators and the public.

Following is the festival schedule for the solo and ensemble events to be held from 8 a.m. to 6 p.m. in the Music Speech building:

Event I for vocalists will be in room 132 and Event II for vocalists is in room 150.

Brass players will perform in Event III in room 250 and Event IV for woodwinds will be in room 238.

String ensemble and solos will play in Event V from 8 a.m. to 2 p.m. in room 144.

Event VI is for piano players in the morning in the Little Theatre.

Separate woodwind and brass entries will be heard in the afternoon in room 144.

Sacramento State College is cosponsoring the event along with District Council Ten, California Association of Secondary Administrators.

The fetival is open to secondary school musical organizations in Solano, Yolo, Nevada, Amador, El Dorado, Placer and Sacramento counties.

HOW TO SEE EUROPE FOR ONLY $300 A DAY: NO. 1

Summer vacation is just around the corner, and naturally all of you are going to Europe. Perhaps I can offer a handy tip or two. (I must confess that I myself have never been to Europe, but I do have a French poodle and a German shepherd, so I am not entirely unqualified.)

First let me say that no trip to Europe is complete without a visit to England, Scotland, Wales, Ireland, France, Germany, Spain, Portugal, Italy, Lichtenstein, Holland, Belgium, Luxembourg, Switzerland, Denmark, Sweden, Norway, Finland, Poland, Czechoslovakia, Latvia, Lithuania, Estonia, Russia, Greece, Yugoslavia, Albania, Crete, Sardinia, Sicily, Hungary, Rumania, Bulgaria, Lapland, and Andorra.

Let us take up these countries in order. First, England.

The capital of England is London—or Liverpool, as it is sometimes called. There are many interesting things to see in London—chiefly the changing of the guards. The guards are changed daily. The old ones are thrown away.

Another "must" while in London is a visit to the palace of the Duke of Marlborough. *Marlborough* is spelled *Marlborough*, but pronounced *Marlboro*. English spelling is very quaint, but terribly disorganized. The late George Bernard Shaw, author of *Little Women*, fought all his life to simplify English spelling. They tell a story about Shaw once asking a friend, "What does g-h-o-t-i spell?"

The friend pondered a bit and replied, "Goatee."

Shaw sniggered. "Pshaw," said Shaw. "G-h-o-t-i does not spell goatee. It spells *fish*."

"How is that?" said the friend.

Shaw answered, "*Gh* as in *enough*, *o* as in *women*, *ti* as in *motion*. Put them all together, you get *fish*."

This was very clever of Shaw when you consider that he was a vegetarian. And a good thing he was. As Disraeli once remarked to Guy Fawkes, "If Shaw were not a vegetarian, no lamb chop in London would be safe."

But I digress. We were speaking of the palace of the Duke of Marlborough—or Marlboro, as it is called in the United States. It is called Marlboro by every smoker who enjoys a fine, rich breed of tobaccos, who appreciates a pure white filter, who likes a soft pack that is really soft, a Flip-Top box that really flips. Be sure you are well supplied with Marlboros when you make your trip abroad. After a long, tiring day of sightseeing there is nothing so welcome as a good flavorful Marlboro and a foot-bath with hot Epsom salts.

Epsom salts can be obtained in England at Epsom Downs. Kensington salts can be obtained at Kensington Gardens, Albert salts can be obtained at Albert Hall, Hyde salts can be obtained at Hyde Park, and the crown jewels can be obtained at the Tower of London.

The guards at the Tower of London are called Beefeaters because they are always beefing about what they get to eat. This is also known as "cricket" or "petrol."

Well, I guess that about covers England. In next week's column we will visit the Land of the Midnight Sun—France.

Wherever you may roam in Europe and in all fifty states of the Union, you'll find Marlboro ever-present and ever-pleasant—filter, flavor, pack or box.

SSC Nine Takes Doubleheader From Chico State

Hornets Host 'Pack Tomorrow At 1 P.M.

Scoring a run in the bottom half of the ninth inning of the nightcap, the Hornets captured a 4-3 win and a sweep of Far Western Conference foe Chico State College Tuesday on the SSC diamond.

Second sacker Jim Greene scored from third after Chico pitcher Chuck Carpenter walked the bases full with one out. Two of the walks were intentional, as Greene went to third on a two-base error by Carpenter. The Chico pitcher threw past the first baseman on a pick-off play.

Greene scored on a grounder by Len Napoli, when the shortstop Larry Phipps threw to second for the force and the Wildcats failed to make the double play.

SSC Wins Opener

The Hornets, with a record of four and two in conference play, captured the first game, scoring 11 runs on 11 hits. Jerry Steinke won the opener giving up two unearned runs, while pitching six-hit ball.

Ross Stone went all the way for the Hornets in the nightcap, giving up five hits and three runs. Steinke struck out four, while Stone fanned seven batters.

Pugliese Leads Attack

Leading the Hornet attack in opener was first baseman Tom Pugliese, who banged out three hits in his four trips to the plate. Pugliese scored once and knocked in one run.

Len Napoli, who holds down the third base spot in the infield, finished the day with a pair of hits ished the day with a pair of hits a double and a single and drove in three runs for the winners. Napoli scored two runs.

Stienke also went two-for-two, while scoring one and accounting for three rbi's Greene, Chuck Swimley, Chuck Davic and Doug Behl each knocked in one run.

The Hornets scored two in the second three in the third, one in the fourth, three in the fifth and two in the sixth. Five of their runs were earned.

Chica scored their only two runs in the econd on an crar, a walk and a triple by Bill McConnell.

Chico Led in Nightcap

The Wildcats led in the second game until the Hornets scored twice in the fifth for their three runs. SSC came back in the bottom of the fourth with one run.

Hornets Score in Seventh

Leading the Hornet attack was Pugliese, Greene, Swimley and Napoli, who each collected two hits. Swimley knocked in two of the Hornets' runs with a double in the seventh. Napoli accounted for one rbi, while Pugliese, Greene, Davis and Stone scored the SSC runs.

Stone gave up two bases on balls and had one earned run charged to him.

Phipps and Rey Myers led the Chico attack in the second game, as they each gathered two hits. They both scored once, with Wade Wall scoring the third Wildcat run.

SSC Faces 'Pack

Tomorrow the Hornets will host the University of Nevada Wolfpack in a doubleheader on the SSC diamond. Action will start at 1:00 p.m.

Head coach Cal Boyes will start his usual lineup with Pugliese leading off in the batting order. He will be followed by second baseman Jim Greene and catcher Chuck Swimley.

Centerfielder Doug Behl will bat cleanup spot, with third baseman Napoli hitting fifth. Chuck Davis will play right field, and Ron Williamson will be in left.

Shortstop Joe BelCostro will bat eighth followed by the first game chucker Stienke.

Ross Stone, the lefthander, will pitch in the nightcap, with the rest of the lineup remaining the same.

Hornets Tied For Second

The Hornets are tied with the University of California at Davis for second place in the conference standings. They trail the league-leading San Francisco State 'gators, as the Bay City nine ha a six and two record.

HORNET TRACK STAR Dick Guider hits the broad jump pit during the recent SSC-Nevada meet held on the SSC oval. Guider, who is also a hurdler, is a letterman who sat out last year's competition. Guider's teammate Steve Carnahan won the broad jump, but the Hornets lost the meet to the powerful Wolfpack.

Hornet Swimmers End Season At State Meet

Three members of the Hornet swimming team accompanied Coach Joe Glander to the State College Swimming Championships held at Los Angeles State last weekend. The meet climaxed the season for the SSC swimmers.

Joe Damiata, winner of both diving events in the Far Western Conference meet, placed fifth in the one and sixth in the three-meter competition. Bill Clough SSC butterfly man, failed to qualify for the 400 individual medley finals.

Gene Peterson failed to qualify for the finals in the 50 freestyle but set a school record in the event with a timing of 23.7. Peterson shared the old record of 24.3 with Bill McGregor.

The meet, entered by 10 colleges, was won by San Jose State, followed by Long Beach State and Los Angeles State. Their scores were 110½, 94½ and 58. SSC was ninth with three points.

Coach Glander complimented the members of the SSC team for their fine spirit and willingness to work all season. Glander said this team was the hardest-working he had ever coached.

FWC Group To Discuss, Revise, Award

Scheduling, eligibility, bylaw revision, officiating and championship awards are all on the agenda for the FWC meeting in Chico this weekend.

Representing SSC will be Dr. Merle A. Rousey, chairman of the division of health, physical education and recreation, Athletic Director John Baker and President Guy West. Accompanying them will be Ev Shelton, and Ray Clemons and Athletic Publicity Director Tom Kane, Jr.

The confab will present the championship awards in track, golf and tennis, as all three championships are being staged in Chico this weekend. It will also try to adopt a conference emblem to be placed on all FWC trophies.

FWC Track Meet Opens Tonight In Chico

WILLIE WIXOM, SSC POLE VAULTER, goes up toward the bar, set at 14-7½. He cleared the bar, setting a school record. Wixom won the pole vault competition in the triangular meet with San Francisco State and Nevada.

Tonight and tomorrow night an underdog Sacramento State track team will join with other FWC members in an attempt to upset a defending University of Nevada powerhouse in the conference meet held in Chico.

The Hornets, who lost a dual meet to the 'pack last weekend, will have record-breakers Mel Ross, Willie Wixom and Tom Henery entered, as well as veterans Gene Reyes, Art Williams, Ramon Foote, Jake Reimers and the Davidson twins, Dan and Denny.

Ross, who last weekend broke his own school record in the javelin with a toss of 217' 3¼", will be out to better his mark. Wixom also broke his own school record in the pole vault, with an effort of 14' 7½". Henery broke the two-mile record, clocking a 9:32.2.

Reimers upset last year's FWC high hurdles champ, Steve Holloway of Nevada, running the distance in :15. Hornet broad jumper Steve Carnahan, whose best event is the hop,step and jump, won the broad jump with a leap of 21' 5½".

The shot put is down to a dual between San Francisco's Mike Parker, who has a best mark of 53', and SSC's Don Biagi, who has also gone over 50 feet.

Defending two-mile champion Craig Spillman of the 'Gators will be the favorite in his specialty. Last weekend against the 'pack and the Hornets, Spillman covered the two-mile distance in 9:09.7. He is also rated as a strong contender in the mile.

The top milers of the conference are both from SSC, as Art Williams **has a time of 4:19.0 and teammate** Denny Davidson has a best **time of 4:17.0.**

For the Hornets in the 880, Ramon Foote has a time of 1:56.9, while Dan Davidson has covered the distance in 1:55.0. The 440 belongs to Nevada, as four of their runners have been clocked in under :48.0. Reyes, the Hornets' leading hope for points in this showing has a time of :48.7.

John Kaiser will be he leading SSC sprinter in the 100 and 220, but the 'pack from Reno will be favored in these events also. In the intermediate hurdles, Reimers and Dick Guider are the SSC hopes to down a strong Nevada entry, which includes Steve Halloway, who won this event in the dual meet last weekend.

The Hornets are favored to retain their second place spot that they won last year. They have defeated all their FWC foes by wide margins in dual meets, except for the Nevada squad. The Wolfpack is undefeated this year, and looms as a favorite to retain the NCAA Pacific Coast Regional track title that they won last year.

Award Dinner Tickets Now Being Sold

Tickets for the annual Sacramento State College Athletic Awards Banquet, at the Dante Club May 23, can now be purchased at three campus locations.

Banquet tickets may be purchased for $3.00 per person at the SSC Alumni Office, located in the administration building, and the Director of Athletics, John Baker's, office or the Athletic Publicity Office, which are situated in the Physical Education Building.

Outstanding SSC athletes of the past year will be honored at the dinner which will start at 6:30 p.m.

Swimmers . . .

(Continued from Page 6)

SSC records were broken, including two by Tim Bloom. Bloom's record clocking for the 1650 freestyle was 20:10.3 and in the 200 backstroke, he clipped 2.3 seconds off his old record with a 2:24.5. Bloom also established records in two new events, the 500 free and the 400 individual medley, with times of 5.51 and 5:10.6.

Bob Fern tied McGregor's 54.4 record in the 100 free. Bill Clough set a new 100 butterfly record in 1:04.4, 2½ seconds under the old record and McGregor established a record in another new event, the 200 freestyle, in 2:06.8.

Damiata set a pair of diving records with 436.1 in the three and 225.85 for the one-meter. The SSC 400 free relay team of Fred Duerner, McGregor, Peterson and Fern wiped out the old record of 3:48.6 with a 3:39.2 clocking.

Golfers Seeking FWC Tourney Championship

Golf coach, Aubrey Bates and his five top golfers; Bob Smith, Jerry Yuke, Bob Irving, Dennis Harper and Bill Godhardt traveled to Chico yesterday to take part in the annual Far Western Conference Medal Tournament.

The tourney, which began yesterday and will be completed today, features all of the schools presently in the FWC.

Coach Bates predicts the Chico team will capture the medal title since they are playing on their home course. A strong San Francisco State squad is picked to finish second and the local crew should take at least a third place. Rounding out the tourney will be the US at Davis, Alameda State, Humboldt and the University of Nevada.

Playing 18 holes each day, scoring will be based on the best four out of five individual scores per team. The team with the highest, rather than the lowest total will take home the bacon.

SSC has participated in the annual affair since their entrance into the conference in 1950. In recent years they have shown impressive form as they won the crown in 1960 and finished second in '61 and '62.

All is not over in match play however, as the Hornet linksters still have a chance for that title. San Francisco, the probable champs in match play, still have to compete in a make up match with the Chico Wildcats. If SFS wins then it is all over, but and it is a big but, if Chico takes it then the conference will wind up in a three-way tie for first between SFS, Chico and SSC.

Net Squad Meets Conference Foes

In quest of its ninth consecutive Far Western Conference tournament championship, Jack Jossi's SSC tennis team journeys to Chico for the two-day event.

The Hornets clinched the FWC team title last week, with a 7-0 win over the Cal Aggies in Davis.

Members of the SSC squad are LaVerne Gonzales, Rich Eich, Mike Cummer, Bud Travers, John McIntosh, Ron Yamagami and Dick Van Auken.

Union Plans Group Awaits Campus Poll

The College Union Facilities Committee, a subcommittee of the larger College Union Committee has been formed and is making a detailed study of the existing programs on this campus as well as desired additional programs to be included in a College Union.

During the week of May 13, representatives from the College Union Committee will be talking to individual groups concerning activities and services they would like to have included in a Union program.

In hopes of broadening the response, the committee is also conducting a survey of the total campus population. Students are asked to detach and complete the checklist in today's paper. These may be deposited today in ballot boxes for this purpose in front of the library and snackbar.

Included in the survey are broad groups of activities and services many of which have been included in other Union programs. Additional questions or comments may be directed to the subcommittee chairman, Donna Arrigone by leaving a note in her mailbox in the Student Lounge.

This is the students' chance to let his voice be heard in planning the College Union. It is vital to the subcommittee that there be a large response to this survey.
